

MeVa

PERFORMANCE

- ✓ Suitable for any locking system with cam or switch. Example: Gaming cabinets, Vending vendors, terminals, furniture, ...
- ✓ Same lock dimensions as the original lock. Easy replacement, retrofit.
- ✓ The programming key enables to change the lock combination in a user-friendly and fast way without need to remove the barrel.
- ✓ Keys are registered and duplication supplied only by TESA ASSA ABLOY.
- ✓ Cost effective: Change of lock codification making the previous key unusable.
- ✓ Recommended in cases of frequent lost or stolen keys.
